

Meet the Teacher

Welcome to Kay Class – Year 1

Kay Class

Class teacher – Miss Calligan

calligand@hardymill.bolton.sch.uk

Curriculum

In school, children are taught:

- Art and Design
- Computing
- Design Technology
- English
- Geography
- History
- Maths
- Music
- Physical Education
- PSHE
- Religious Education
- Science

Curriculum information will be sent out each term on Seesaw to let you know what your child will be learning in each subject.

Curriculum Overview – KS1 Autumn 1

Science	History	Computing	P.E
Humans (senses)	What is the story of Hardy Mill?	Digital citizenship	Ball skills

Music	Art	R.E	PSHE
The Menu Song	To draw different types of leaves May Morris	Christianity: What do Christians believe God is like?	Being Me in My World

Kay Sample Timetable

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
8.50 - 9.00	Morning work	Morning work	Morning work	Morning work	Morning work
9.00 - 9.50	English	English	English	English	English
9.50 - 10.20	Guided reading	Guided reading	Guided reading	Phonics	Guided reading
10.20-10.35					
10.35 – 11.05	Phonics	Phonics	Phonics	PE	Phonics
11.05- 11.55	Maths	Maths	Maths	Art	English
	LUNCH KS1 – 12.00-1.00pm				
1.00pm – 2.00	ECT time – PE	Science	History	English	PPA – RE
2:00 – 2:15	BREAK	BREAK	BREAK	BREAK	BREAK
2:15 – 2:30	Assembly	Assembly	Assembly	Assembly	Assembly
2.30 – 3.20	Music	Handwriting	Handwriting	Jigsaw	<u>PPA</u> - Computing - unplugged

Curriculum Expectations

- At Hardy Mill our vision is for our children to be the best that they can be.
- Children are expected to strive to do their very best in every lesson.
- Children are encouraged and expected to keep their handwriting neat and take pride in their presentation in all subjects.
- They are also encouraged to make progress week on week as their knowledge and skills develop.

Curriculum Expectations

P.E

- Children must take part in PE sessions, if they cannot participate, please inform your child's class teacher by email, letter or phone call to inform us of the reason why.
- Watches and earrings **must** be removed for PE sessions.

Kay P.E days: Mondays and Thursdays

Curriculum Enrichment

- To support and enhance our learning, this year we will be taking part in:
- Theme weeks
- A trip to Chester Zoo
- A trip to Lytham St Anne's

We do ask for parental contributions in order to fund these enrichment activities. Whilst these contributions are voluntary, if we do not receive enough contributions to fund these experiences, they may not go ahead as we may have to cancel them.

Behaviour Expectations

- Children are expected to follow the school rules to ensure that every child is able to learn, be safe and enjoy their time at Hardy Mill.
- Inline with our school values they are expected to show:
 - Pride,
 - Courage,
 - Cooperation,
 - Resilience,
 - Respect
 - and Independence.
- Please see our Behaviour Policy on the website for more information.

Attendance and Punctuality

- It is greatly important that your child arrives on time and attends every day. As soon as they enter the classroom, children will take part in a morning maths or an English activity to consolidate previous learning in class, equating to 50 minutes each week.
- If for any reason they are absent, please let school know the reason for their absence on the first day.
- Attendance at Hardy Mill is very important. As a school, we monitor attendance carefully and will notify you if your child's attendance falls below national average. The government are also having a big push on attendance and issuing many more fines.

School day begins: 8.50am Children will enter through the main KS1 door.

School day finishes: 3.20pm Children will leave through the main KS1 door.

Routines

- Healthy snacks can be brought to school to eat at morning play time. Children should not be sent with a snack for the shorter afternoon break.
- If your child has a packed lunch, please ensure these contain healthy options.

Routines

WATER

- The Department for Education guidance for Early Years Providers states that water and milk are the only safe drinks to give children in regard to their oral health.
- Please ensure your child has a water bottle in school each day. Their bottle **must** contain only water. The NHS advice is that soft drinks such as juice should only be given at mealtimes to help reduce the risk of tooth decay. The children have access to their water all day and constantly sipping juice can increase the risk of tooth decay. Also, water bottles are often on desks and if they contain juice and they are spilt, desks can become very sticky.

Routines

- Children may bring a school book bag to school.
- Children will be provided with the stationery that they need and a pencil case. Children are not allowed to bring their own stationery to school.

Uniform Expectations

Uniform

- Please see the uniform expectations on the website.
- Wearing the school uniform helps create a sense of belonging among our children and promotes equality. When everyone wears the same clothes, it reduces distractions and allows children to focus on their learning.
- We are grateful for your support in making sure your child comes to school in the correct uniform each day. This helps build a strong school community and teaches our children about respect and responsibility.

Uniform Expectations

Jewellery

Jewellery is not to be worn in school with the exception of:

- **one pair** of plain studs in pierced ears. **Please note:** Earrings are not allowed to worn for PE lessons
- a traditional watch preferably (Smart watches are only permitted with a parental consent slip that can be requested from the school office)

If children come to school wearing items of jewellery which are not in line with the policy e.g. hoop earrings, sparkly earrings, bracelets, necklaces etc. **they will be confiscated** and returned to the child to take home at the end of the day.

Uniform Expectations

Hairstyles

- Haircuts should not be less than a Number 3
- Headbands and bobbles must be plain and in line with school colours
- Shoulder length (or longer) hair should always be tied back for health and safety reasons
- Large hair bows are not to be worn

If children come to school with large hair bows or hair accessories, they will be asked to remove these and put them in their bag to take home.

Uniform Expectations

Nail varnish and make up

- Nail varnish, false nails and make up are not appropriate for school and must not be worn.
- Any child wearing make-up will be provided with a wet-wipe to use to remove their make-up and any child wearing nail varnish/false nails will be told to remove these when they get home and a check made the next day to ensure this has been done.

Uniform Expectations

Shoes

- Black, flat, sensible shoes (no trainers or sandals)
- Trainers should **only** be worn on PE days

Uniform Expectations

Active wear

- On PE days, **plain** active wear uniform should be worn.

To ensure there is no competition about being dressed in the latest trend, which can put a great deal of financial pressure on parents, **branded sportswear is not permitted.**

How you can help at home

The best thing that you can do to help your child academically is to help them to read fluently, confidently and to understand what they are reading.

The Centre for Literacy in Primary Education conducted a research report in January 2021 and stated:

- “... the research shows us, that **being literate changes your life**. The research also shows us that if you are a literate child who reads for pleasure then **this has more impact on your future life chances than any other factor.**”
- The more reading you can do at home, the better. Little and often works best.
- Consider building reading into your bedtime routine... whatever the age of your child! Turn devices off, you read a book or a chapter to them and let them read to you.

Why Can't I Skip My 20 Minutes of Reading Tonight?

Student “A”
reads **20 minutes**
each day

3600 minutes in
a school year

1,800,000 words

90th percentile

Student “B”
reads **5 minutes**
each day

900 minutes in
a school year

282,000 words

50th percentile

Student “C”
reads **1 minute**
each day

180 minutes in
a school year

8,000 words

10th percentile

How you can help at home

- Fluent reading supports reading comprehension. **If children are to become fluent readers, they need to read a lot.** If reading becomes effortless, children can focus their attention on the meaning of the text. We have put together a reading fluency checklist to help the children understand what it means to read fluently.
- Home-school reading diaries and reading books will be sent home by the end of the first week back in September.

Kay book changing days: Mondays and Thursdays

How you can help at home

When you read with your child, encourage fluency by talking about the features listed on our fluency checklist and model this when reading.

Reading fluency checklist

	Accuracy	I read each word correctly. Accuracy counts.
	Speed	I read at the right speed - not too fast and not too slow.
	Expression	I vary my voice and read with expression. I do not read like a robot.
	Punctuation	I pay attention to punctuation. I know that it helps me read at the right

How you can help at home

20 books to read

Each year group has a list of 20 recommended reads for the children whilst they are in Year 1.

These books can be borrowed from school and many can be borrowed free of charge from Harwood or Bolton library.

Phonics – Year 1

- Children will complete the Year 1 phonics check in the Summer term.
- A phonics meeting will be held in Summer 1 to share further information.

How you can help at home

Homework

- We use SeeSaw to post homework and keep you updated on what we are learning in class. Homework will be set weekly and will focus on the basic skills your child needs to learn during their time in Y1.
- Each week children will be expected to:
 - Practise their phonics
 - Enjoy reading at home
 - Complete a maths task

Online Safety

- Please continue to supervise your child whilst they are online and frequently check any devices your child uses to look at the apps and content that they have been accessing.
- Treat it as you would road safety – you wouldn't show them how to cross the road once and then leave them, apply the same rules on the internet – reinforce online safety constantly!
- Please visit www.common sense media.org for app and website information to check whether sites and apps are appropriate for the age of your child.

Every child is unique...

Over summer we have set the children a task to produce a poster all about them which they should bring back to school in September.

We would also like to give you the opportunity to tell us about your child too. Following this meeting, we will be giving you a letter inviting you to write to us , if you wish, to let us know about your child.

Working together

If you have any worries, concerns or questions during the year, please do not hesitate to come into school, telephone or email us.

We aim to resolve any issues quickly and the sooner these are brought to our attention the better to hopefully prevent a small issue turning into a big one.

Questions

Thank you for attending this meeting.

If you have any questions please do not hesitate to get in touch via email:

calligand@hardymill.bolton.sch.uk
